

PROSPECTOR STAKEHOLDER FORUM AGENDA

| | | | |
|------------------|--|--------------|--------|
| Date: | 28 March 2017 | Time: | 1-4 PM |
| Location: | DMP Offices Cnr Hunter and Broadwood Streets West Kalgoorlie | | |

Objectives: *The overall aim of this forum is to initiate discussion on improvements to the process of submitting programmes of work and mining proposals for small operations. The Department of Mines and Petroleum is seeking input from prospectors on a range of possible ideas.*

| Agenda No. | Time | Item | Mins |
|--------------|-------|--|------|
| 1. | 13.00 | Introduction Discussion on aims for the session and what participants would like to achieve | 15 |
| 2. | 13.15 | Risk-based applications Required information from proponents scaled according to the risk of the proposed activities, rather than size or tonnage. What could this mean, and how might it work? | 60 |
| 3. | 14.15 | Mining Proposal/MCP for Small Operations Given current legislative constraints, a discussion on ways to streamline the current application process (including a review of tonnage limits), and improve documentation (including changes made following a prospector meeting on 28 February). | 30 |
| 4. | 14.45 | Break | 15 |
| 5. | 15.00 | General discussion Workshop participants to raise current issues for discussion and follow-up by DMP | 40 |
| 6. | 15.40 | Next steps Methods for ongoing consultation between prospectors and DMP | 20 |
